**FFBEAT
DDIO**
A MONTHLY DIY MUSIC
RECOMMENDATIONS ZINE

The Kickoff Party Edition

Introducing Offbeat Oddio, a DIY music zine crafted from reader-submitted recommendations, submitted by YOU, assembled by us, & distributed monthly online & on paper.

In an era of corporate sponsorships, advertisements, & algorithms, we want to bring real people with genuine music recommendations back to the foreground.

Each issue of Offbeat Oddio will be comprised of “playlists” of up to 12 hand-selected songs submitted by readers.

This zine can't replace a trip to the record store. It can't replace your favorite critic's magazine column. It definitely can't replace a mixtape from your crush. We can't promise you'll like these tunes, but we can promise that someone out there, someone flesh and blood, thinks they're worth giving a listen.

Offbeat Oddio is based in FL. We enjoy ~~long walks on the beach~~ DIY anything, nature, art, "obsolete" technology, and MUSIC! We are anti-AI, anti-capitalist, anti-fascist, and anti-censorship.

Managers Special by The Kaiju
Possible unnatural threat identified.
This tape was obtained by a friendly; they
worked a BDSM event and said things
got weird. Something in the music and
the hosts voice did something to them.
I have to run this one solo, at
least until I know why The Night
Manager's handwriting is an exact
match for mine.
